- Team Leads are responsible to contact your schools and set up mentoring sessions for Sept – Dec 2009, and Jan. – May 2010. Please, then fill this chart in, and communicate it back to all mentors. We will post the mentoring schedule on the www.cando413.com website.
- Team Leads are responsible to send a paragraph report, or designate someone to do so, with 48 hours of mentoring session
- Team Leads must get cell phone numbers of all team members, in case of date change/emergency
- Team Leads are responsible for getting “Mentor Profile Sheets” back for each of their mentors.
- All mentors will be asked to do just a few things:
 - **Wear** your Can Do polo shirt when you mentor (they are being ordered this week, \$10 for the shirt when we provide it)
 - **Prep** for your mentoring session! Please review the worksheet that the Team Lead will provide, as well as read the specific chapter of “7 habits of highly effective teenagers”. This will give you confidence, and also some structure to the mentoring!
 - **Always** mentor in a group session, at the school, with other Can Do Mentors
 - We have been asked to have a quick background check for each mentor, to comply with D150 guidelines. \$5 each mentor, Mike Illuzzi is handling for Can Do in conjunction with FUMC.
